5] Child Protection Policy

Willow Park F.C. believes that concern for the general well-being and welfare of all children and young persons under its care is of paramount importance in developing the young players of the future.

The club recognises the responsibilities and trust that is placed on it by all players and their families.

It will seek to respond to that responsibility by encouraging best practice in Child Protection matters and encourage everyone involved in the club to recognise this.

The protection of the child must be the first priority of all its members.

All Managers/Coaches must know the club's policy and procedures, be encouraged to listen to concerns of players and take their complaints seriously.

All current and potential Managers/Coaches shall consent to be screened as to their suitability to work with children as specified by the FAI Child Protection guidelines.

Willow Park F.C. will emphasise to all members that they have a duty to report to the designated person any concerns they have over the possible abuse of children. This duty also applies to concerns they might have about a colleague.

The Club will provide guidance to anyone who makes a report of suspected abuse and they will be fully supported when voicing these concerns.

6] Definition of Child Abuse

Neglect: The neglect of a child or the failure to protect a child from any kind of danger including exposure to cold and rain.

Physical Abuse: Actual or likely sexual exploitation of a child where a person involves a child in any activity that leads to their own or others sexual gratification. This might involve intercourse, touching, exposure of sexual organs, showing of pornographic material or talking in an erotic way.

Emotional Abuse: Failure to exhibit care and attention, particularly where a child is threatened, taunted or shouted at and as a consequence leads to loss of self-esteem and confidence. Similarly, undermining a child by ignoring effort or progress.

7] Guidance to Promote Good Practice

The following guidelines are suggested to Managers/Coaches in an attempt to reduce situations, which could lead to the abuse of children as well as attempting to protect those who are working with children and young people.

- Always try to work with children and young people in the open and public view.
- With very young children, where possible, try to encourage parents to take responsibility for their children in the changing rooms.
- It is possible that a Manager/Coach might have to help young children with undressing, changing and dressing. Such tasks should only be carried out after discussion and consent of the player and parents.
- Always ensure Managers/Coaches work in pairs when children have to be supervised in the changing rooms.
- Always try to develop a climate, which discourages the criticising of those who are seen as having less ability.
- Always try to take steps to challenge bullying and always listen to complaints from team members who feel that they are being bullied.
- Always try to avoid being alone in a car with a child/young person. Sometimes this will be unavoidable but try to make sure the child/young person sits in the back of the car.
- Always try to avoid taking a child/young person home with you, especially if they would be alone with a Manager/Coach.
- It is advisable that Managers/Coaches identify who will be collecting a child/young person following a match or training session.
- Managers/Coaches should take steps to know who will care for a child/young person if his parents are not at home when the child is returned home following a match or training session.

All above is superceded by the **Code of Ethics and Good Practice for Children's Sport** as directed by The Irish Sports Council and supported by the FAI. See back of booklet for further information.
