- Applaud good play, sportsmanship and best effort by the visiting team as well as your own.
- Welcome and respect all your teams opponents. Without them there would be no match.
- Condemn the use of violence in all forms at every opportunity.
- Verbal abuse of players, match officials or opposing supporters cannot be accepted in any shape or form. Players or match officials should never be regarded as fair targets for ignorant or abusive behaviour.

We recognise that competition and winning is an important goal, but winning at all costs does not meet the needs of young players.

Willow Park FC are aware that recent research would suggest that increasing numbers of children leave sport between the ages of eight and thirteen. A number of the most common reasons given were; that sport was no longer fun, they did not get to play and overemphasis on winning.

Therefore we have to make every effort to ensure that we keep a balanced approach to competition, make sure all players get a chance to play and strive to keep the fun in soccer.

Making sport fun.

In promoting “Sport for Fun” we in Willow Park FC will insist on:

- Encouraging participation and fun

- Insisting on **Fair Play** (we will take off offending players)
- Being realistic with our expectations
- Being aware of children’s feelings
- Teaching players to respect different cultures
- Teaching players that standards of behaviour are just as important as winning

Best Practice-Coaches

In keeping children and young people at the forefront of planning and practice, our coaches can be confident that participants will enjoy their football experiences and that their actions are regarded as safe and in keeping with the principle that the safety and welfare of children is of paramount consideration.

Our Coaches are given a position of trust by parents/guardians and players, and are expected to operate to the highest standards of behaviour whilst in the company of under age players (under 18years). Our coaches are also expected not to engage in any activity that could reasonably be viewed as bringing the club or soccer in general into disrepute.

It is important to for our coaches to note that in adhering to these guidelines ensures not only a safe environment for children but also a safe environment in which coaches and volunteers can operate.

Most coaches work in an environment where it is recognised that, in a sporting context, certain types of coaching require a ‘hands on approach’, i.e., it may be necessary to support a participant in order to physically demonstrate a particular technique. This should only occur when necessary and in an open and appropriate way with the knowledge, permission and full understanding of the participant concerned and his/her parents/guardians.

Coaches must realise that certain situations or friendly actions could be misinterpreted, not only by the player, but by outsiders motivated by jealousy, dislike or mistrust and could lead to allegations of sexual misconduct or impropriety. Therefore coaches should be aware of, and avoid all situations conducive to ris

Where possible, our coaches/volunteers should avoid:

- Spending excessive amounts of time with children away from others.
- Taking sessions alone (always employ “Two Deep” supervision).
- Taking children to their homes.
- Taking children on journeys alone in their care.

Our Coaches/volunteers should never:

- Exert undue influence over a participant in order to obtain personal benefit or reward.
- Share a room with a young person alone on away trips.
- Engage in rough physical games, sexually provocative games or allow or engage in inappropriate touching of any kind, and/or make sexually suggestive comments about or to a child.
- Use any form of corporal punishment or physical force on a young person.
- Take measurements or engage in certain types of fitness testing without the presence of another adult and permission from the Committee
- Undertake any form of therapy (hypnosis etc.) in the training of young people. •

Safety

Coaches have a responsibility to ensure the safety of all players possible within the limits of their control. Therefore, coaches should seek to create a safe and enjoyable environment in which to play and train.

In this respect:

- Regular safety checks should be carried out in relation to premises, training facilities and equipment. Any problems should be brought to the attention of the Committee
- Appropriate safety rules should be adopted and implemented and protective equipment should be used in any contact training session.
- Parents/guardians should be informed of the starting and finishing times of training sessions and matches.
- A first aid kit should be available at all training sessions /matches and injuries should be recorded, with a note of action taken in relation to each one.
- Parents/Guardians should be notified of injuries/illness which their children incur while participating in any football activity
- Never play injured players.
- **Ensure that the FAI Goalpost safety policy is strictly adhered to at all times**
